UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF TEXAS
MARSHALL DIVISION

SYNQOR, INC. Plaintiff, v. VICOR CORPORATION Defendant.	Civ. No. 2:14-cv-287-RWS-CMC **JURY TRIAL DEMANDED**

ORDER REGARDING STIPULATION REGARDING STAY OF CASE PENDING REEXAMINATION

On this day the Court considered the Stipulation Regarding Stay of Case Pending Reexamination filed by Plaintiff SynQor, Inc. ("SynQor") and Defendant Vicor Corporation ("Vicor"). In light of the foregoing, it is hereby ORDERED that:

1. This case is to remain stayed pending completion of the *inter partes* reexaminations of all of the asserted patent claims, including any appeals of the reexamination decisions to the Federal Circuit Court of Appeals, subject to provisions 2 below.

2. SynQor and Vicor each reserve the right to move the Court for a modification of the terms of or lifting of the stay based on any development in the reexaminations.

3. The parties are to file a joint status update with the Court in the event of any development in the reexaminations, independent of whether or not a party moves for a modification of the stay.

It is further ORDERED that SynQor's motion to reconsider (Dkt. No. 258) is DENIED

AS MOOT and any objections are OVERRULED.

SIGNED this 23rd day of May, 2016.
